

Photo Report Presentation of the International project "Candlelight Memorial"

Candlelight Memorial is the program of the largest alliance of organizations and professionals working in the field of health security of the World Health Council in Washington DC.

Candlelight Memorial Program, which is held every third Sunday of May, is one of the oldest mobilization campaigns held at the local level and directed for disseminate information about HIV / AIDS.

From 2010 to 2013 years Elena Bondareva, director of «Challenge» PF, Pavlodar, was chosen as a coordinator of «Candlelight Memorial» in Kazakhstan.

The purpose of popularizing «Candlelight Memorial» and attraction of new members was included into the work plan of coordinator for 2010 and held as a presentation among AIDS service NGOs of Pavlodar region at 14 May 2010, in the conference hall of the Regional AIDS Centre.

I have represented the Candlelight Memorial program in 2010., It was about the mission of the World Council of Health, responsibilities and opportunities of coordinators, the way of becoming a coordinator and recommended activities for the organization of Memorial Day.

The meeting resulted in "a call to action".

The meeting was attended by 8 members of AIDS-service NGOs, experts OC AIDS, there were distributed posters, stickers, brochures, postcards received from the central office of Candlelight Memorial, information exchange and contacts with the new NGO, decided to participate in joint promotions and activities.
