Template for the working groups in the CSF Meeting

Name of the working group: Address stigma, legal and regulatory barriers and human rights violations

Members of the working group: Anke van Dam, AFEW; Luca Stevenson, ICRSE; Charles Ddungu, EATAN; Niall Mulligan, HIV Ireland; Todd Sekuler, EUROPACH; Anne-Claire Guichard, UNAIDS; Robert Hejzak, AIDS Promo; Goncalo Lobo, Abraco; Fiona Godfrey, EASL; Sini Pasanen, Positiiviset; Silke Klumb, Deutsche AIDS-Hilfe

Objective of the working group	Agreement on what the working group members would like to achieve for the given period of time (at most, for this term until the end of 2019): Discussion: Putting the focus on health care settings as area where all the three disease areas and key populations experience stigma and discrimination? Understanding which strategies work against stigma, legal barriers and human right violations and promoting them. Identifying research gaps to come to a baseline of the situation and advocate for a monitoring and evaluation on country level.
Sub-objectives	Are there any sub-objectives necessary to describe in order to reach the main objective? 1. Identify research gaps in the area of stigma and discrimination and the impact on PLHIV/PLHCV/key populations. Including revising existing documents and putting together an overview of existing data; lack of monitoring of stigma on country level but also on EU level. 2. Collect examples of legal and regulatory barriers to access to prevention, treatment, care and support for key populations and PLHIV/PLHCV. 3. Identify strategies/factors which enable legal and behavioural changes. Collect good practice on what made changes possible. 4. Having a Civil Society (shadow) report to the Dublin Declaration Monitoring (part on stigma and discrimination). 5. Support/write/contribute to letters sent by the CSF tackling stigma/legal barriers/human rights violations of sexworkers, migrants/refugees, people who use drugs, PLHIV etc.
Outputs, Deliverables, Products	Are there any outputs, deliverables, products the working group aims to come up with? • Document on research gaps • Document on legal and regulatory barriers

	• Document on good practices/strategies • Civil Society Report on stigma etc. as part of a Dublin Declaration shadow report • Letters to the Commission/Member States…
