

# Key developments from the local level

- 995 cases (2018), rate per 100.000 population = 2.2 (males: 3.5)
- 76% - 72% - ??
- No access to PrEP
- No recognition of U=U at the policy level
- Mandatory HIV status disclosure / special provision for HIV in the penal code
- Mandatory HIV test for non-EU citizens seeking a residency permit (both temporary & permanent) – **your experience?**
- New national HIV strategy (2021 – 2025), little civil society input
